

Laura Hendriks – Conservation Sciences – Branco Weiss Fellow since 2020

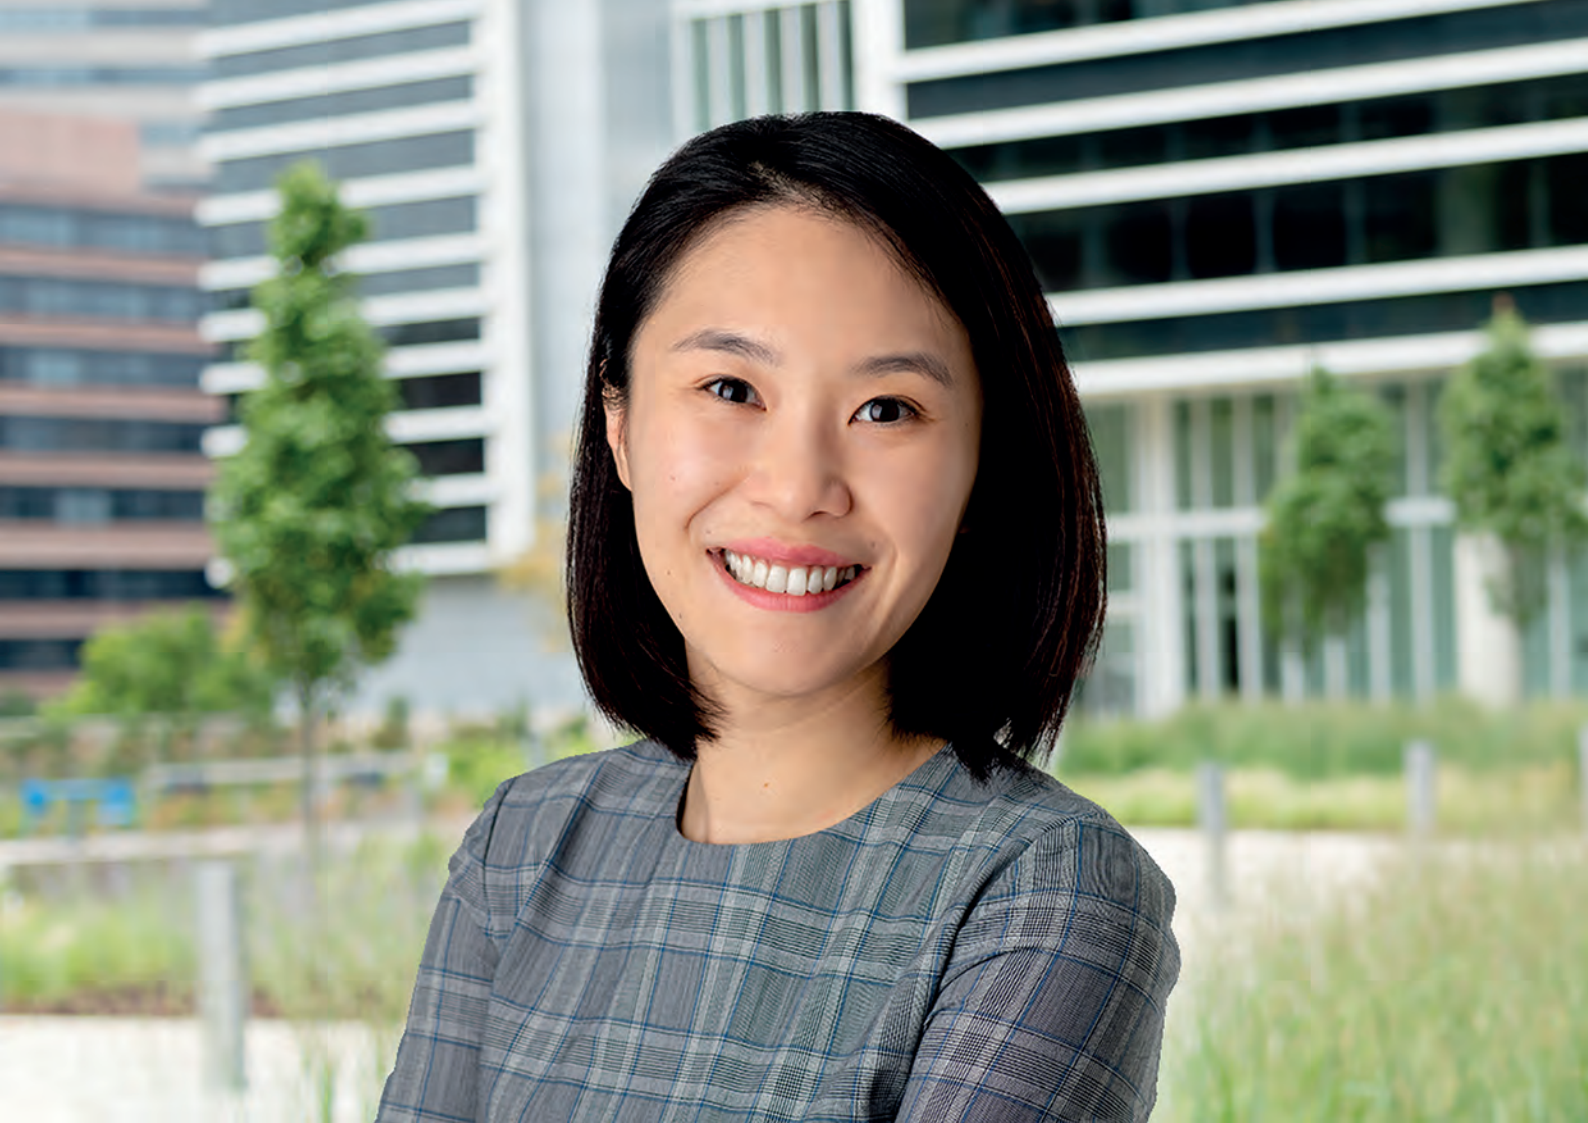

# For postdoc researchers in science, engineering, and social sciences. **Apply today.**

The magnitude of challenges we face today requires people with fresh thinking and novel approaches. To help find new ways forward, The Branco Weiss Fellowship gives extraordinary postdocs and engineers a generous grant to pursue an unconventional project for up to five years anywhere in the world. Have an idea that could change tomorrow? Applications are due January 15, 2024. Get in touch with us today!
